

DUAL ADMISSIONS AGREEMENT
BETWEEN
THE COMMUNITY COLLEGE OF PHILADELPHIA
AND
TEMPLE UNIVERSITY - OF THE COMMONWEALTH
SYSTEM OF HIGHER EDUCATION

Preface

The Community College of Philadelphia ("CCP") and Temple University - Of The Commonwealth System of Higher Education ("Temple") enter into this dual admission agreement ("Agreement") to provide that students admitted into an Associate's degree program at CCP will be admitted into a Bachelor's degree program at Temple on the condition that they: graduate from CCP with a minimum GPA of 2.0; enroll at Temple within one year of CCP graduation; do not attend another institution of higher education between the time they graduate from CCP and enroll at Temple; complete a "Dual Admissions Intent" form at the time of admission to CCP, or no later than when they have completed 30 transferable credits at CCP; and satisfy all other regular Temple admissions requirements.

To facilitate the transfer of CCP graduates to Temple in accordance with the foregoing guarantee, the parties agree to the following:

Obligations of Temple

1. To waive the \$35 admissions application fee for students who enroll at Temple pursuant to this Agreement.
2. To award academic scholarships to qualified students admitted pursuant to this Agreement. Full-time students (enrolled in 12 or more credits a semester) with a 3.0 - 3.49 final CCP GPA will receive \$1,000 per year, up to \$3,000 total. Full-time students with a 3.50 - 4.0 final CCP GPA will receive \$2,000 per year, up to \$6,000 total. Part-time students (enrolled in 6 to 11 credits a semester) will receive a one-half scholarship (\$500 or \$1,000 per year), up to a \$3,000 or \$6,000 total. All scholarships may be renewed each year contingent upon the students maintaining a 3.0 cumulative Temple GPA.
3. To continue working on (with the intent of completing, by the end of the academic year, 1998-99) a "CORE to CORE" articulation agreement that allows transferring CCP students under this agreement to fulfill all Temple CORE requirements by taking two Temple writing intensive courses at Temple, one of which normally will be an upper-level major capstone course.

4. To affirm our current articulation agreements and continue working on program to program articulation agreements that specify for CCP transfer students the remaining Temple coursework required for degree completion at Temple.
5. To send a Temple letter of admission to all Community College of Philadelphia students who complete a Dual Admission form by the time stated in the Preface of this agreement and who meet the conditions set forth in the Preface. Students must confirm their intention to matriculate at Temple by July 1 for the Fall semester, and by December 1 for the Spring semester of each year, and satisfy all other regular Temple admissions requirements. Students wishing to gain admission to some competitive Temple majors (art, music, dance, allied health) will follow the regular admissions process for those selective programs. Admission to such majors is not guaranteed by this Agreement. Community College of Philadelphia students who complete a "Dual Admissions Intent" form will be governed by the Temple degree requirements in effect at the time of their Temple matriculation.
6. To invite CCP students to an informational meeting with Temple faculty and staff on a regular basis at both CCP and Temple, to facilitate smooth curricular and co-curricular integration to Temple.
7. To ensure that students will be provided with Temple financial aid information and receive full consideration for Temple financial aid upon matriculation at Temple.

Obligations of the Community College of Philadelphia

1. To publicize this Agreement to prospective students in its admissions literature and as part of its regular recruitment functions, and to inform qualified students matriculating at CCP of the opportunity for admission to Temple University under the terms of this Agreement.
2. To send a letter each semester to all new eligible Associate's Degree CCP students inviting their interest and intention to transfer to Temple after earning their Associate's degree. The letter will include an invitation to a meeting at CCP to discuss this opportunity and to complete a "Dual Admission Intent" form, signifying their intention to transfer to Temple under the terms of this Dual Admissions agreement. Temple will provide CCP with "Dual Admissions Intent" forms to distribute upon request.

Joint Obligations

1. CCP and Temple will develop, maintain and share records of the CCP students admitted into the dual admission program, to the extent permitted by law.
2. Both Temple and CCP will review this Agreement annually and make any changes upon mutual agreement, as needed. Such changes will become effective when the revised document is signed by both Temple and CCP.

3. CCP and Temple jointly agree to develop and implement advertising and promotional efforts to communicate the benefits of Dual Admission
4. Each institution will designate a representative who will coordinate the Dual Admission Agreement between the two institutions.
5. This Agreement will be renewed annually, unless Temple or CCP terminates this Agreement or enters into a new agreement.
6. Either party may terminate this Agreement by submitting written notice of termination to the other party. Termination will be effective no earlier than 12 months after receipt by either party of such written notice from the other. Both parties understand and agree, however, that any termination of this Agreement will not affect students already accepted to Temple, but not yet enrolled in Temple, under the terms of this Agreement.
