Old Business

P&P #13 Completion of Registration Policy

The discussion regarding P&P 13 continued from the October meeting. Guests, Aubria Phillips, Linda Powell, and Brent Webber presented varying perspectives on the proposed changes to the policy. Aubria Phillips expressed concerns that students get the run around and that the proposed changes would only benefit students. Linda Powell expressed concerns about the impact of the proposed changes on lab classes and the safety issue. Brent Webber expressed concerns that students who arrive later in the week to classes are lost. Carmen Colon stated that students are encouraged to register for classes that have not met, during the first few days of class. After a lengthy discussion Jon Brown called for a motion. Melissa Altman-Traub made the motion to (consider) rewriting the proposed changes (based upon student focus) and resubmit to the committee and it was seconded by [REDACTED]. All members voted yes.
