Old Business

There has been no proposal to revise the Progress Policy to amend the MP and D discrepancy.

The Drop/Add Policy revisions forwarded to the IWC and rejected were to be sent to the President.

However, this has not happened, and the Vice- President for Academic Affairs will determine the next steps to be taken with the revisions.

Academic Integrity Policy update.

Osvil and Bettsy asked for comments on the latest draft of the Academic Integrity Statement and Definitions.

There was agreement that the order of the paragraphs should be reversed, and Sandra suggested the following sentence from the July, 2008 draft be added: "This expectation applies to every setting in the College, including classrooms and laboratories as well as for co-curricular activities."

There was agreement that the Policy should include a general definition of violations of academic integrity as well as a listing of some specific violations.

The Working Group will continue to meet and consider adding a section on the rights and responsibilities of students and instructors.

Alison would like to continue working with the Group.

Adjournment: A motion for adjournment was made, seconded, and passed unanimously at 5:05.
