I. **Academic Standards and Progress Policy** (Note: Students receiving financial aid are held to additional satisfactory academic progress regulations found in Section VI.)

A. **GPA Policy:** Students must maintain a cumulative grade point average for all college credited courses according to the following College schedule. GPA will be assessed after a student has attempted 12 college credited hours. (Note: Developmental courses will not count toward GPA calculation.)

Minimum Required Cumulative GPA	Cumulative GPA Credit Hours Attempted
1.40	12
1.50	18
1.60	25
1.75	37
1.85	49
2.00	Graduation

B. **Progress Policy:** Students must maintain satisfactory progress for all courses. Satisfactory progress will be based on a cumulative successful completion of 67% of all credits attempted and will be assessed after a student has attempted 12 credit hours. For the purposes of calculating satisfactory progress, withdrawals made within the refund period

will not count towards the calculation of progress. A grade of A, B, C, D, P, or MP will be considered a successful completion. However, a grade of MP cannot be given in the same course more than two times. On the third attempt, a grade of MP will be converted to a grade of F.

C. Students who do not maintain satisfactory course completion and/or GPA will:

1. Be put on full-time (13 credits maximum) academic probation. Students on academic probation of any kind must meet with a counselor before registering for any term.
2. At the end of any full-time academic probation term, a student will be evaluated as follows:
 - a. If the student has met the cumulative 67% completion rate and the GPA requirements, he/she will be removed from academic probation.
 - b. If the student is either below the cumulative 67% completion rate or the GPA standard but has earned grades of A, B, C, P, or MP in 67% of the credits attempted for that term, he/she will continue on full-time academic probation. When the student achieves the cumulative 67% completion rate and GPA requirements, he/she will be removed from academic probation. Students may not register until they have met with a counselor.
 - c. If the student fails to earn a grade of A, B, C, P, or MP in 67% of the credits attempted for the term, he/she will be placed on part-time (7 credits maximum) academic probation. Students on part-time academic probation during any summer term will be limited to three (3) credits or six (6) credits for offerings spanning 14 weeks. Students may not register until they have met with a counselor. Students wishing to appeal their part-time academic probation status may do so through the Counseling Department. Final adjudication will rest with the Reinstatement Committee.
3. At the end of the first part-time academic probation term, a student will be evaluated as follows:
 - a. If the student has met the cumulative 67% completion rate and the GPA requirements, he/she will be removed from academic probation.
 - b. If the student is either below the cumulative 67% completion rate or the GPA standard but has earned grades of A, B, C, P, or MP in all credits attempted for that term, he/she will be permitted to continue on part-time (7 credits) academic probation until such time that the student achieves the cumulative 67% completion rate and GPA requirements and is removed from academic probation. Students may not register until they have met with a counselor.
 - c. If the student fails to earn a grade of A, B, C, P, or MP in all credits attempted for the term, he/she will be dropped from the College for poor scholarship and/or insufficient progress.

4. After a student is dropped for poor scholarship and/or insufficient progress for the first time, he/she will be required to sit out for one term, with summer counting as one term, before applying for reinstatement. Students wishing to appeal the requirement to sit out for one term may do so through the Counseling Department. Final adjudication will rest with the Reinstatement Committee.
5. After a student has sat out the minimum of one term, he/she may return to the College on part-time (7 credits) academic probation but cannot be registered until he/she has met with a counselor. Students who return to the College after dismissal will be assessed at the end of each term in accordance with the part-time academic probation sequence described above.
6. Students who are dropped for either insufficient progress or poor scholarship following reinstatement may not be reinstated until they appeal successfully to the Reinstatement Committee. All students who are reinstated based on appeals will be placed on part-time (7 credits) academic probation and will be assessed at the end of each term in accordance with the part-time academic probation sequence described above.

The chart below shows sample calculations of necessary course completion rates based on the 67% completion rate and minimum GPA requirements.

Attempted Credits	Minimum GPA	Calculation Applied	Required Completion Rate
12	1.40	12 X 67% =	8 credits completed
18	1.50	18 X 67% =	12 credits completed
25	1.60	25 X 67% =	17 credits completed
37	1.75	37 X 67% =	25 credits completed
49	1.85	49 X 67% =	33 credits completed
60	2.00	60 X 67% =	40 credits completed
72	2.00	72 X 67% =	48 credits completed
84	2.00	84 X 67% =	56 credits completed
90	2.00	90 X 67% =	60 credits completed

II. Policy on Repeated Courses *

A. Students may repeat courses to improve an initial grade of B, C, D or F.

The following conditions apply:

1. When a student repeats a course for the first time (second attempt), the higher grade earned (either initial grade or

grade of second attempt) will be the grade counted in the calculation of the GPA.

2. When a student repeats a course for the second time (third attempt), the highest grade earned (either initial grade or grades of second or third attempt) will be the final grade counted in the calculation of the GPA.
3. Courses repeated three or more times (fourth attempt or greater) are not calculated in the GPA.

- C. A grade of MP will not be given for a third time in the same course. The MP grade may be awarded no more than twice. Any MP for a third subsequent attempt will be converted to an "F."

Credit for a course is given only once. Each attempted grade will appear on a transcript. Note: Some colleges to which students may wish to transfer do not accept this method of calculating grade point averages.

~~*The Academic Progress Policy for CAP A-Level students supersedes this policy.~~

III. Incomplete Work

- A. The letter "I" on a student's grade report or transcript indicates that a student has not completed all the requirements for a grade in a course.
- B. The instructor will inform the student of the work to be completed and the date that it is due. Notification of the incomplete grade will be forwarded to the department head through the use of the incomplete grade form.
- C. An incomplete grade becomes a failing grade (F) if the work is not completed within six weeks from the end of the final exam period in which the "I" grade was assigned.
- D. An "I" will not be counted in the student's grade point average and academic progress in determining academic standing.

- E. Since only completed work can be counted as making progress towards the degree, students must be aware that an incomplete grade may have implications for qualifying for financial aid. In addition, incomplete grades will not satisfy requirements for prerequisites.

IV. Withdrawals from Course

- . Students may withdraw from a course(s) but must do so by the published deadline for each term. After this date, students will be assigned the grades they have earned. Students who withdraw after the refund period and before the deadline date for any term will earn a grade of “W” on their transcript. Note that excessive withdrawals will affect academic progress.
- A. Students dropping a class must complete the necessary form, available from the Office of Student Records and Registration, and submit the form to this same office. Students are strongly encouraged to consult a counselor, if on academic probation, or an academic advisor prior to dropping courses.
- B. Students completely withdrawing from a term must complete the necessary form, available from the Office of Student Records and Registration, and submit the form to this same office. Students must consult a counselor prior to withdrawing from an entire roster of classes for any term.
- C. The date when the Office of Student Records and Registration is in receipt of the appropriate drop or withdrawal form is the official date of withdrawal. A student who cannot appear in person to fill out a withdrawal form must send a letter or email stating the date and reason for the withdrawal. Absence from class or merely notifying the professor does not constitute withdrawal. An instructor may initiate a withdrawal (according to Policies and Procedures No. 5). (Note: Students should not assume that an instructor will initiate such withdrawals.)
- D. Students who are unable to complete a course(s) because of serious illness or other emergency may apply for an excused withdrawal within two (2) years of the occurrence to the Office of Student Records and Registration. Excused withdrawals are not counted in determining academic progress; however, excused withdrawals are counted as an attempt when awarding financial aid. Satisfactory documentation of the illness or emergency will be required.

V. Reinstatement

Students applying for reinstatement to the College must submit an “Application for Reinstatement Form” to the Reinstatement Committee. Applications may be obtained in the Division of Educational Support Services Office. Forms must be submitted no later than the deadline dates stated in the calendar in the College catalog. Applications received after the deadline dates will be rolled over and considered for the following academic term. Students will be notified in writing of the Committee’s decision.

VI. Satisfactory Academic Progress Requirements for Students Receiving Financial Aid

A student receiving financial aid is required to make progress towards his or her program of study each term. To maintain eligibility for financial aid, the course completion rate is two-thirds successful completion (67%) and maintaining minimum GPA requirements. However, academic progress standards set by Financial Aid Regulations are stricter than the College’s Academic Standards and Progress Policy:

- C. Neither academic, nor time amnesty, which the College approved, can be used when computing financial aid satisfactory academic progress (SAP).
- D. All excused withdrawals are counted as attempted credits.
- E. Financial aid eligibility is limited to 150% of the credits needed to graduate for each program of study. All attempted credits are counted towards this maximum, regardless of whether or not a student received aid during previous periods of enrollment. Credits transferred into the College are counted toward the 150% maximum limit.
- F. There is a maximum limit of 30 developmental course credits.
- G. Incomplete (I) or unreported (NR) grades are counted as attempted credits.
- H. All attempted credits are counted whether or not a student received financial aid;

The following new provisions become effective July 1, 2011 and are applicable to all students receiving federal student aid:

- G. Financial aid can be applied only once to repeat any course where the student received a passing grade of A, B, C, MP, P, and D. Students who failed (grade of “F”) or withdrew from a course (“W”) in any previous attempts are not restricted by this one repeat limitation. However, once the student does earn a passing grade, then financial aid will only pay once to repeat that course.

The Office of Financial Aid will review academic progress after the Fall and Spring semesters, and Summer. Students deemed not to be making satisfactory academic progress will be placed on a financial aid warning status for the next term. Students may continue receiving financial aid while on financial aid warning status. No appeal is necessary. After the financial aid warning period, a student who fails to meet the Satisfactory Academic Progress Requirements for Students Receiving Financial Aid (as outlined above), will be ineligible for aid. Students may submit to the Financial Aid Academic Progress Appeals Committee a request to have his/her financial aid eligibility reinstated based on:

1. Death of a relative;
 2. Injury or illness of the student; or
 3. Other special circumstances.
- a. The appeal must be submitted along with written explanation about why the student failed to make satisfactory academic progress and what has changed that will allow the student to be successful for the next term. Students must also provide appropriate supporting documentation, e.g., doctor's note, receipts, or obituary with their appeals. Students who successfully appeal their aid ineligibility will be placed on financial aid probation. The decision of the Financial Aid Academic Appeals Committee is final.
 - b. A student on financial aid probation may receive financial aid for one semester or summer. At that point, the student must meet the College's Academic Standards and Progress policy or the requirements of an established individual probation conditions plan to maintain financial aid eligibility. The probation conditions plan is a set of academic performance expectations to ensure that the student is able to meet satisfactory academic progress (SAP) standards by a specified point in time. If a student begins and continues to follow the set plan, she/he may continue receiving financial aid.
- I. If appeals have been approved for students and they are dropped for poor scholarship and/or insufficient progress after failing to meet the probation conditions plan that was established for them,

they will be ineligible for financial aid until they return to good academic standing.
