SUBJECT: IWC Decisions

This is to inform you that I have taken the following actions on a recommendation made to me by the Institution-Wide Committee Fall 2018:

- 1) Approved the revisions to the Justice Program as follows:
 - a) Establish more guided choices to meet general education requirements.
 - b) Replace a general elective with FYE 101 and move "career cluster" courses into the required course sequence.
 - c) Remove language about career clusters from the program description.
 - d) Change the program learning outcomes; change the curriculum map.
- 2) Approved the revisions to the Digital Forensics Program as follows:
 - a) Remove CIS 105 and replace it with ENGL 115.
 - b) Provide more guided choices, particularly Forensic Biology 104, Environmental Conservation (EASC 111), SOC 101, PSYCH 101, PHIL 211.
 - c) Replace the general elective with ENGL 112 (Report & Technical Writing).
