CCP College Placement Assessment– Dual Enrollment

The purpose of student placement at CCP in English and Math is to place students in courses most appropriate to their level of preparation. Placement can be satisfied by one of methods listed below. Placement for dual enrollment students differs slightly from the college’s general student population, If you are not able to satisfy placement through one of these options, you will need to take a placement test.

High school seniors are evaluated using HS transcript, GPA and/or SAT/ACT/Keystone scores.
High school juniors are evaluated using HS transcript, GPA and PSAT scores.

ENGLISH PLACEMENT

Eligibility Criteria	Level	Course(s) Placement
HS GPA from 2.75 to 2.89	Developmental (Level 2)	English 097 and linked content course (content course is credit bearing)
HS GPA from 2.9 to 3.19	College-level (Level 4)	English 098 and English 101
HS GPA of 3.2 and above OR *SAT of 560 or higher in English OR *ACT of 21 or higher in English	College-level (Level 6)	English 101

MATH PLACEMENT

Eligibility Criteria	Level	Course(s) Placement
HS GPA of 2.89 and below	Developmental	FNMT 019 and FNMT 020
HS GPA from 2.9 to 3.04	Developmental	FNMT 019
HS GPA from 3.05 to 3.29 OR *SAT of 530 or higher in math OR *ACT of 21 or higher in math OR Keystone Algebra Score (HS transcript) of 1500 or higher	College level	College level math (FNMT 118, Math 150, Math 137, FNMT 101- dependent on Academic Pathway)
**HS GPA of 3.30 with a C or higher in Algebra II or higher level math	College level	MATH 161 (Pre-Calculus)
**HS GPA or 3.5 and above with a C or higher in Trigonometry or Calculus	College level	MATH 171 (Calculus I)

*SAT and ACT scores must be from within the last 5 years.
 **If no Algebra II or higher level math (for MATH 161) and no Trigonometry or Calculus (for MATH 171), default placement is FNMT 118
